THE SERVICEMAN'S CORNER:

---Hi, fellas. Got a few letters to pass on to you this week. Without further ado, here they are!

JACKSONVILLE, FLORIDA
Jan. 3, 1952

Dear Mr. and Mrs. Byline:

As you may know, Jeff and I are "vacationing" in Florida now. The weather got a bit too nippy in San Diego, so we "decided" to go South for the winter! So--here we are in Jacksonville. Don't quote this, but it sure has California beat, in many ways. Every weekend we take off for Miami, St. Pete, Silver Springs, or some other fine resort. We haven't given up California completely though, so we would appreciate it if you would send us the Byline--so we'd know what's happening at home. Bye for now---

JIM CRAWFORD & JEFF SHACKLEFORD.

Editor's note: The stationery Jim and Jeff used showed a warm summer day on the beach, with many bathing-suited "glammer gals" just sitting, lying, or standing around, looking beautiful. Jim and Jeff had drawn a line from the words "beat in many ways"--up to said "glammer-gals. Now, are you Brisbane gals gonna stand for that? Pure propaganda! Those here glammer gals are obviously spies for the Florida Chamber of Commerce, set to trap our innocent, unsuspecting California Navy boys. I suggest we go on a strike immediately---we'll stop knitting pin-cushions for our Servicemen in Florida, until they see THE LIGHT!

Then, if that doesn't work, we'll send some of our handsome fly-boys down there to Pensicola, to lure those female spies away from our naive navy guys. THAT will fix 'em, for good. Of course, we expect our air-guys to be experienced enough to be able to see through those lovely bits of bait--so that THEY can escape and come back home safe and sound!

Another letter:

SOMEWHERE IN KOREA
Jan. 2, :52

Dear Reccos:

Just a short letter to tell you that I am on my way home, and to ask you not to mail any more Bylines over here.

I would like to express my feelings toward the good work you have put in your paper, and I wish to thank the people of Brisbane for the fine Christmas cards they sent---with a special thanks to the Lion's Club for the beautiful Fruit Cake they sent me. It feels mighty fine when you are over here, to know that someone back home remembers you.

Well, that's about all I can think of to say right now. Thanks for all you have done to keep up the servicemen's morale.

Yours,

JIM RICE.

Gee, thanks, Jim. I'm sure glad you are coming home, and believe me--Brisbane sure has missed you. As editor of the Byline, I have a special sort of interest in YOU, because you were one of our most faithful correspondents. You kept in touch---and let us know quite often that you were receiving the Byline okay. It meant a lot to us to know that you appreciated our little efforts in your behalf. Please come in to the office when you get home, so we can shake your hand personally. That way, we'll REALLY know you're home, at last!

DUPO, ILLINOIS
Dec. 29, :51

To--Gladys & Warren Recco--
Hi, friends!--

Received another group of your papers forwarded from Korea to my home. Thanks very much for the news, as my own hometown never sent a paper. More news for you---received gifts from your fire dept., Lion's club, and American Legion. Our hometown here at Dupo has forgotten all the boys who were recalled. Here is wishing you and everyone in Brisbane a Happy and Prosperous New Year!

As you know, Nadine enjoys reading the papers, as they are from her (our!) hometown. Guess Brisbane has won me over to be a Californian. You may tell everyone THANKS for me! Your pals,

ROY & NADINE LORENTZ

As a sequel to this letter, on Tuesday morning I received a phone call from Mrs. Wooden, Nadine's mother--she tells me that Roy is being transferred to Sumter, So. Carolina, and that he will join local VFW.

Mr. and Mrs. Raymond Diaz and son Raymond, of 207 Trinity Road, made a trip by auto to Guadalajara, Mexico, for the Christmas Holidays. Mr. Diaz is quite enthusiastic about the climate down there--for which we can't blame him, after our own UNUSUAL Christmas weather!

Mr. Diaz is a brother of Mrs. May Doyle, of 236 Sierra Point. No--Mrs. Doyle didn't get to go to Mexico--she spent Christmas here at home!

TRIP TO NEBRASKA: --

Mrs. Evelyn Pahlow and daughter Nancy, of 105 Visitation Avenue, left here on the 21st of December, for a train trip to Alliance, Nebraska. Nancy and Evelyn visited with Mrs. Pahlow's parents, Mr. and Mrs. M.G. Lee, and with Mr. Pahlow's mother, Mrs. J. A. Pahlow, all of Alliance. While there, Mrs. Pahlow had the pleasure of seeing her sister, Mrs. P. S. Callaghan, of Great Lakes, Illinois, and a total of sixteen relatives, all home for Christmas.

A near tragedy was narrowly averted when Mrs. Pahlow's brother, Allen Lee, of Alliance, was seriously injured at the Burlington Railroad Shops in Alliance. Evelyn spent four days in the hospital with her brother, after he underwent surgery on his injured hand. The Pahlow "women" returned home Monday, Jan. 7th.

LOCAL LADIES TO LEARN "HAM" RADIO:

Last Monday evening, January 7th, a group of our local ladies met in front of the local American Legion Hall, and drove to the home of Mr. D. Johnson on Cherry Avenue in South San Francisco. Mr. Johnson is a Radio Instructor for the Naval Reserve.

The ladies were taught the rudiments of International Code as a beginning, and will be given the entire course in short-wave radio operation, in preparation for future plans for a radio set-up here for Civil Defense. The course will be given each Monday and Thursday evening until the ladies "graduate" as finished "Ham" operators.

Among the group who have already started the course are Lela Miles, Hazel Hooper, Virginia Woodard, Loreno Geist, Carolyn Cook, and Yvonne Smith. Any other lady in Brisbane interested in learning short-wave radio technique may contact John W. Smith of 360 San Bruno Avenue, the chairman of the local Civil Defense Council--Mrs. Art Kennedy, clerk of the Civil Defense Council here---or you may drop into the Byline office, in charge of civil defense publicity, and leave your name, address, and phone number. You will be contacted and told when to appear for your lessons.

This is an important course, and would cost a good deal of money to learn otherwise, but these ladies are learning now, free of charge---and they may apply their knowledge in many ways during later Peacetime years---such as radio operators, for taxicab companies, and so forth. An excellent idea for the woman or girl with an eye to the future!

VOCATIONAL NURSING COURSE TO OPEN:

A new course in vocational nursing, designed to prepare a person for nursing duty in hospital or homes, will start at the Marina Adult School of Galileo High School on January 28th. Applications for the day or evening classes should be made before January 25th. Further information can be obtained by calling Walnut 1-2707.

IMPORTANT ANNOUNCEMENT: THE NEXT MEETING

OF THE BRISBANE IMPROVEMENT CLUB WILL TAKE PLACE AT THE BRISBANE AMERICAN LEGION HALL ON THURSDAY, JANUARY 17TH, AT 8:00 P.M. THIS IS AN IMPORTANT MEETING FOR ALL WHO ARE INTERESTED IN BRISBANE'S SEWER PROBLEMS. PLEASE ATTEND AND LEARN WHAT IS BEING DONE ON BEHALF OF BRISBANE!

"SHAGGY DOG" STORIES: (Thanks to Bennett Corff's column in This Week magazine.)

A termite interrupted his work to tell another, "Oh Boy--this will bring down the house!"

And then there's the one about the ostrich which came upon 20 other ostriches, all with their heads buried in the sand. He looked around in puzzlement and exclaimed, "Where IS everybody?"

A moth crept out of the clothes closet and moaned, "I'll simply have to stop chewing on overcoats--I'm getting ulsters of the stomach!"

A frog told his dinner companion, "I won't be able to do much talking tonight. I've got a man in my throat."

A scotch-terrier was banished from a flea circus. The boss accused him of stealing the show.

A couple of cats were about to fight a duel. "Shall we fight to the death" asked one, "or shall we make it the best five lives out of nine?"

A city-feller who doesn't know the front end of a goat from a magnolia bush was watching his week-end hosts' daughter milking her cow when a farm hand hollered "Cheese it---here comes the bull!" The city feller vaulted a fence for safety, but noted to his surprise, that the girl never budged from her stool. Furthermore, the bull brought up abruptly, snorted apologetically, and meekly walked away. "Weren't you scared?" asked the guest. "Not me", said the daughter, "But I reckon the bull was. This here cow is his Mother-in-law!"

TEEN-AGERS TO HOLD ANOTHER DANCE:

Don't forget the big dance for you young people at the Legion Hall Friday night, January 11th (that's tonight for those of you who don't get the papers on Thursdays in the stores)---there'll be orchestra music, and the gang will have fun, properly chaperoned, of course. These dances are open to only local kids and their Jeff High pals. No gangs from "outside" are allowed in the hall. And NO HARD LIKKER---or cut you go! But most of our local kids are swell people, and they want these dances so badly that they are just automatically on their best behavior! And you parents---you needn't be afraid that your daughter, or son, will get "in trouble" while there at the dance. Of course, we can't supervise them before, or after, they leave,---but we do insist on the kids registering and putting down the exact time of arrival or departure from the dances. JUST GOOD

Tickets are now on sale for this affair, by officers of the Brisbane P.T.A. and are priced at 25¢ each. LOCAL FAMILY ATTENDS ROSE-BOWL GAME:

Mr. and Mrs. Ray Brown and son Bobby, of 25 Inyo Street, drove to Los Angeles a week or so ago, to see the Tournament of Roses parade and Rose Bowl game on New Year's day. Sunday they were joined by Mr. and Mrs. F. H. Brown, who are Mr. Ray Brown's brother, and Mrs. Brown's sister. The F. Brown party also consisted of Mr. and Mrs. Earl Fieldler and Mr. and Mrs. L. Fowler, all of Rantoul, Ill.

An informal New Year's Eve party was held in the Fowlers' hotel room--their room being the largest, and with 10 other couples registered at the same hotel, all from Illinois, the Ray Brown family had difficulty holding their own amongst all the ILLINOIS boosters! (Can't you just see the Ray Brown family from here yelling "ray stanford" in little bitty whispers?)

New Years' Day began at 4:45 a.m., with breakfast at 5:00 a.m.; bus loading time set at 6:45 a.m.; arriving at reserved seat section thirty minutes before parade time--which started promptly at 9:15. Ray Brown reports that the color, beauty, and immensity of each float has to be seen to be really appreciated.

Immediately following the parade, box lunches were distributed, and enjoyed in the bus. Then, on to THE BOWL, and the MAIN EVENT (so far as the Ray Brown party was concerned)--. With Stanford leading at the half 6 to 7--the Ray Browns had a brief period of hooting and rooting--but long before the game ended, they had to bow down to the football happy Illinois fans! The music and the maneuvers of both the Stanford and the Illinois bands were thoroughly enjoyed; as were the colorful "card tricks" executed by the Stanford rooting section.

Getting back to the hotel at 6:00 p.m., all agreed it was a wonderful way to spend New Years Day, and highly recommend it to everyone--at least ONCE in a lifetime!
